

# 2009 MSA BRITISH CAR TRIAL CHAMPIONSHIP

## INFORMATION SHEET NO. 1

Falcon Motor Club's Southern Autos Trial was cancelled due to inclement weather and the Club are looking to run the event again on 24<sup>th</sup> May. In accordance with MSA Regulation A29 (c) a letter was sent to all registered contenders seeking their agreement/disagreement to this date change. Unfortunately, the new date clashes with some competitor's other commitments and therefore we advise that the Southern Autos Trial will not be a scoring round of the MSA British Car Trial Championship.

We would like to take this opportunity to thank registered contenders for responding promptly.
