Organising Rounds

Dear All,

Further to my letter of 21st July 2008 and with thanks to those who have replied so far, we have received a few votes which were not favourable to the new date, but we will look forward to the Gaby Mohr being a round of the Championship in 2009. I know that responses was needed to be in by 1st August, but as I have received nearly all the replies, I thought I would advise you sooner rather than later.

As the Gaby Mohr Trial is still running as a round of the BTRDA Car Trial Championship, I have taken the liberty of giving the organisers your details to receive the Event SRs, in order to support the event by either competing or marshalling at the event if you can.

Kind regards

A handwritten signature in purple ink that reads 'Andrea Wren'.
