

2009 MSA BRITISH CAR TRIAL CHAMPIONSHIP

Information Sheet No. 2

Kidderminster Motor Car Club's Wyre Forest Car Trial was cancelled due to inclement weather. Mike Jones verbally asked registered contenders if they would accept the new date and unfortunately a couple could not make the new date. Therefore we advise that although the Wyre Forest Car Trial has been arranged to run on 4th October this unfortunately will not be a scoring round of the MSA British Car Trial Championship.

Also, Ilkley & District Motor Club had to cancel their Filtrate Trial due to lack of entries.
